

NORTHWESTERN MUTUAL RESIDENTIAL TOWER

LOCATION: 777 N. VAN BUREN STREET JOB SITE
Concrete Pump and Truck Traffic Setup on the 600 Block of East Mason Street

EVENT: MASS CONCRETE FOUNDATION POUR

DATE: Wednesday, August 10, 1:00 AM - 10:00 AM
Backup Date: Thursday, August 11, 1:00 AM - 10:00 AM

- REASON FOR CONCRETE PLACEMENT TIME:**
- The concrete in this foundation is 11' thick.
 - The reinforcing must cool down from the sunlight the previous day.
 - The concrete has to be placed at the coolest times of the day.
 - This will have the least amount of impact to surrounding street traffic.
