

Please join me in supporting her fast-approaching campaign with your best contribution. Whether your personal check is for \$35, \$50, \$100, \$250, \$500, \$1,000, \$2,500 or more, your support today will lead Justice Bradley to victory in the February 16th primary election and in the April 5th general election.

Before you write your check, consider Justice Bradley's two opponents:

The first is Appellate Judge **Joanne Kloppenburg** who ran a viciously negative campaign against Justice David Prosser in 2011. The second is Milwaukee County Judge Joe Donald.

While Justice Bradley is committed to running a positive campaign based on her record, it's unlikely that whichever of these Liberals wins the February 16th primary will respond in kind . . . and certainly the Far-Left interests that back them won't. From firsthand experience, I know all too well, that they'll wage an **all-negative campaign** that will blanket Wisconsin with unfair mailings and blatantly deceptive TV ads.

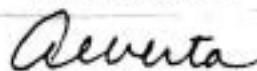

Because that's the case, your generous campaign support is paramount. I know this about you, [REDACTED] you're always willing to make a difference and your generous spirit has helped so many in Wisconsin.

Please join me in supporting an extraordinarily well-qualified Supreme Court Justice and let's keep her on Wisconsin's highest bench.

Write and return your "Citizens for Justice Rebecca Bradley" contribution for \$35, \$50, \$100, \$250, \$500, \$1,000, \$2,500 or more, and let's win this race together.

Thank you for everything you've done over the years and for reading my letter today.

On Wisconsin,

Alberta Darling
State Senator

P.S. "Respect" is an important word in Wisconsin. And in telling you that I respect Justice Rebecca Bradley, I'm paying her the best compliment I can. She has got a great head on her shoulders and a good heart. She's a lifelong Wisconsinite who radiates **fairness, honesty, sound judgment, and keen intelligence**. Governor Walker picked right when he selected her to be Wisconsin's newest Justice. Now she needs our help. Please act fast and be generous. [REDACTED] Wisconsin needs Justice Bradley's leadership and right now, she needs yours.
