## LT. GOVERNOR REBECCA KLEEFISCH

Do you agree that judges should interpret the law -- not invent it?

If so, I urge you to support my friend Rebecca Bradley in her bid to win a full term on Wisconsin's Supreme Court on April 5th. [Your campaign contribution of \\$10, \\$35, \\$50, \\$100, \\$250, or more will help elect this fair, impartial, experienced judge.](#)

This past October, Governor Walker appointed Justice Bradley to serve on the Wisconsin Supreme Court after the unfortunate passing of Justice Patrick Crooks. She is currently running for a full 10 year term and needs our help to win.

On the Supreme Court, she applies the law as it is written -- not as she may wish it was written. The opposite of an activist judge, *she leaves the legislating to the Legislative Branch.*

[Support Justice Rebecca Bradley for Supreme Court today.](#)

Prior to her appointment to the Supreme Court, Rebecca Bradley served the people of Wisconsin as a Wisconsin Court of Appeals Judge where she was committed to the rule of law and applying the law fairly and impartially. Our justice system needs independent judges like Rebecca who will apply the law impartially and free of political agendas. [Your contribution will help Justice Bradley share her message with voters across our great state.](#)

Rebecca and I share more than a name ... we share a profound commitment to public service and doing right by the people we serve. [With our strong support, she will continue to serve with honor and integrity on our state's Highest Court.](#)

Rebecca was born, raised, and educated in Wisconsin. In 2012, Governor Walker appointed her to serve as a Milwaukee County Circuit Court Judge where she presided in Children's Court and treated all participants in the court system with dignity and respect.

Rebecca is as impartial as they come and **impervious to the outside pressures that try to unduly influence the bench.**

If you agree that we need to keep her on the Supreme Court, [please support her campaign with a contribution of \\$10 or \\$100 or even \\$1,000 right now.](#)

You know how Madison works, [REDACTED] the liberal left tries to politicize everything. They will make this race about politics when it's not.

***It's about the law and upholding our Constitution.***

My friend Justice Rebecca Bradley faces a hotly contested race for a full term so I am stepping in early to help her . . . and hope you will too.

Thank you,

Rebecca Kleefisch  
Lieutenant Governor

P.S. As a Lieutenant Governor who has won three tough races in four years, I know firsthand what it feels like to be a target of liberals. Justice Bradley needs our help to win this big race because she will be the target of the Madison liberal special interests who are looking to replace her with an ally on the bench. [Will you pitch in to help her today?](#)
