

The County Grounds Coalition

invites you to an

EARTH DAY FORUM

with Spencer Black

National Vice President, Sierra Club

speaking on

**The state of our
environment and
the 2018 election**

During his 13 terms in the State Assembly, including service as chair of the Natural Resources Committee and as Minority Leader, Spencer Black was considered the state legislature's leading environmental advocate. He is currently an Adjunct Professor of Urban and Regional planning at the University of Wisconsin-Madison and a columnist for *The Capital Times*.

**10am-Noon • Saturday • April 21
Firefly Room • Wauwatosa Public Library
North Avenue & 76th Street**

*Our goal is not just an environment of clean air and water and scenic beauty.
The objective is an environment of decency, quality and mutual respect for all
other human beings and all other living creatures.*

—Wisconsin Senator Gaylord Nelson, founder of Earth Day
