

OFFICE OF THE COUNTY EXECUTIVE

**DAVID CROWLEY**

MILWAUKEE COUNTY EXECUTIVE

April 3, 2021

Commissioner Robert D. Manfred, Jr.  
Major League Baseball  
1271 Avenue of the Americas  
New York, NY, 10020

Dear Commissioner,

I commend Major League Baseball's decision to relocate the 2021 All-Star Game in response to the efforts to restrict voting rights in the state of Georgia.

I join the Mayor Tom Barrett in asking you to consider choosing the City of Milwaukee as the new location for this year's All-Star Game. Milwaukee would serve as an appropriate location to honor the life and legacy of the late Hank Aaron. He started and ended his career in Milwaukee and used his career as a platform to champion civil rights.

On behalf of Milwaukee County, and the many local leaders here dedicated to the protection of civil rights and achieving racial equity, we would be honored to host the 2021 All-Star Game and pay homage to the memory a beloved Milwaukeean.

Sincerely,
