**MILWAUKEE COUNTY SHERIFF DENITA BALL DENOUNCES SUPERVISOR RYAN CLANCY'S CRITICISM OF MILWAUKEE COUNTY JAIL REVIEW PROCESS**

MILWAUKEE – Our office has worked at great length with the Office of Corporation Counsel to prepare a report that fully complies with the County Board Resolution. It is abundantly clear that Supervisor Clancy does not intend to engage with this report in good faith. Instead of debating with a supervisor who feels that the tireless work of our dedicated Law Enforcement and Correctional personnel, has no “dignity or value,” we will continue working with our partners across our community to ensure safety in the jail and promote peace and security in our neighborhoods.

Time and time again, year after year, Supervisor Clancy has proudly proclaimed his contempt for the vital work of law enforcement, even while serving as the chair of the Judiciary, Law Enforcement and General Services Committee. It is disturbing that a government leader entrusted with this role is using it to attack the profession that keeps our community safe.
