WHAT IS A “FOOD PEDDLER ZONE”?

A “limited operation food peddler vehicle zone” means a portion of a public right-of-way designated by the common council for parking of food peddler vehicles subject to specified limitations.

Density-limited zone is an area currently located at Burnham Park exclusively for food peddler vehicle operation by permit only.

The maximum number of food peddler vehicles allowed on this zone is determined for that specific block based upon density and traffic safety, as determined by the common council in consultation with the department of public works and the police department.

If you wish to operate in this zone, you need to apply for a parking permit through the License Division. Please file your application no later than Friday, May 17.

APPLY FOR A PARKING SPACE

- Applications shall be filed no later than Friday, May 17, and March 1 every year thereafter.
- If granted a parking space, the licensing division shall notify the applicant of the assignment, and the applicant shall accept the parking space in writing within 10 calendar days of receiving notification of the assignment or shall forfeit the assignment.
- Only one parking space shall be assigned per food peddler vehicle.
- No food peddler vehicle may be assigned a space in more than one zone.
- Parking space assignments may not be transferred.

REQUIREMENTS

Parking space assignment are determined by seniority, calculated by:

- Number of years a food peddler vehicle has operated in the zone based on their previous itineraries.
- Additional points. If your vehicle meets all of the following: 12 feet or less in length, 11 feet or less in height, and 7 feet or less in width, including wheels and all extensions, counter space, foldouts, awnings, or other contrivances attached to the main

body of the food peddler vehicle. The unit shall obtain one year of seniority.

- Number of years the unit has been licensed through the City.
- Whichever food peddler’s average food establishment grade is higher, as determined by the health department.
- Whichever applicant has received the fewest demerits for being disciplined by the city for offenses relating to the operation of food peddler vehicles. E.g. warning letters, suspensions, and/or revocations.
- A game of chance administered by the license division.

After all parking spaces are assigned, the remaining applicants will be placed on a waiting list using the same seniority system.

Any parking space that becomes available after parking space assignments have been made will be offered to the highest-ranking food peddler vehicle on the waiting list.

HOURS OF OPERATION

Food peddlers may operate during the following hours:
6:00 am to 3:00 am Monday thru Friday
6:00 am to 3:30 am Saturday and Sunday
