Enough is Enough - A Legacy for Erin  
32610 Sunburst Ct  
East Troy, WI 53120

Dear Mrs. Jeanne Lupo,

I am writing to express my sincerest apologies for the inappropriate and inaccurate characterization that your grassroots, volunteer organization received from the State Public Defender's Office in a letter sent to all of Milwaukee County's Criminal Division Judges. I want to be clear that you have every right and reason to be in the courthouse and observe the court process. Finding volunteers to do so is already difficult, so the vilification of your essential community work must end.

I have written to the Criminal Division Judges to articulate our belief that the letter from the State Public Defender's Office is not an accurate representation of your group, and the mischaracterizations it contained shall play no role in the perception thereof. I also met with the State Public Defender's Office to discuss their letter and express my sincere and passionate disappointment and disapproval of the way Enough is Enough - a Legacy for Erin was flagrantly mischaracterized.

I will continue to monitor the situation and take every possible action to ensure such a malignment does not happen again. I am so thankful for the work you have done and continue to do to advocate for public safety in Milwaukee County, and I will make sure such efforts are respected.

Sincerely,
