**Safe & Sound Announces Safer Together Week:
A Celebration of Resident Leaders, Youth Voices, Community Partnerships
and the Public Safety Officials Who Keep Us Safe**

Milwaukee, WI – Safe & Sound is proud to announce Safer Together Week, taking place from **March 17 to March 25, 2025**. This week-long initiative is dedicated to celebrating the many partners—residents, youth, public safety professionals of all kinds, donors, partners and community organizations—who help drive our mission of safe and empowered neighborhoods.

At Safe & Sound, we are committed to building safer neighborhoods by advocating for youth and residents, enhancing community safety efforts, and fostering collective impact through collaboration. As part of this special week, we invite the public to join us for a series of free, public events designed to bring our community together, highlighting resident leaders, youth voices, and public safety officials who work to keep us safe. Join us at **Safe & Sound, 4422 W Leon Terrace, Milwaukee, WI 53216**, and at various locations throughout the community.
