Shorewest to Host Annual E-Recycling Drive

Shorewest is joining forces with Camo Crew Junk Removal to celebrate Earth Month

Brookfield, WIS. — On Saturday, April 26th, Shorewest will be joining forces with Camo Crew Junk Removal for their annual Electronics Recycling Drive to celebrate April as Earth Month. Hosting the event at the Shorewest Support Center in Brookfield, this event will be open to the public, where team members will be accepting various items including computers, laptops, phones, VCRs/DVD players and more.

“One of our goals every year is to give back to the communities that we serve as often as possible,” says Shorewest President, Joe Horning. “We look forward to our 6th annual E-Recycling Drive with Camo Crew Junk Removal as a way to help keep our neighborhoods clean, and as a method of showing the communities that we are here to support them in more ways than real estate alone.”

The E-Recycling Drive will be held at 17450 W. North Avenue, Brookfield and will take place from 10am to 2pm. It is designed to be a drive-up and drop off style event and Shorewest volunteers will be readily available to help attendees unload their recyclables quickly and easily.
