SPIRIT AIRLINES LAUNCHES NONSTOP FLIGHTS FROM MKE TO LOS ANGELES

New flights to Baltimore and Nashville also begin this week

MILWAUKEE (May 8, 2025) – [Spirit Airlines](#) has launched new nonstop service from Milwaukee Mitchell International Airport (MKE) to Los Angeles. A Hollywood-themed celebration was held at MKE to mark the inaugural flight today. Travelers were welcomed with a red carpet, popcorn, and Shirley Temple cocktails.

Flights to Los Angeles International Airport (LAX) will take off from MKE twice per week. No other airline at MKE currently offers flights to Los Angeles, making this an exciting addition. Along with the new Los Angeles flights, Spirit is also adding low-fare nonstop service to Baltimore and Nashville this week.

This launch highlights the continued expansion of options and affordability for MKE travelers. The links below detail the specific schedules for each new route:

- [Los Angeles \(LAX\)](#) Thursdays and Sundays beginning May 8
- [Baltimore \(BWI\)](#) Fridays and Mondays beginning May 9
- [Nashville \(BNA\)](#) Fridays and Mondays beginning May 9

“By choosing to fly from Milwaukee, travelers can support expansion of more nonstop flights from our city. These new flights to Los Angeles, Baltimore, and Nashville give Milwaukee-area travelers yet another reason to choose MKE for their travel,” said Airport Director Brian Dranzik.

Spirit’s new flights from MKE will be operated with Airbus A320 aircraft featuring eight “Big Front Seats” and 174 standard seats. All flights are available for booking now at [Spirit.com](#) or on the Spirit Airlines mobile app.

Milwaukee Mitchell International Airport offers nonstop flights to 30+ destinations coast-to-coast, and more than 200 international destinations are available with one easy connection. MKE is served by Alaska, American, Delta, Frontier, JetBlue, Southwest, Spirit, Sun Country, and United. The complete list of nonstop cities can be found at [flymke.com](#).

MKE, the winner of 2021 and 2022 ASQ Best Airport – North America awards for outstanding customer experience, is owned by Milwaukee County and operated by the Department of Transportation, Airport Division, under the policy direction of the Milwaukee County Executive and the County Board of Supervisors. The Airport is entirely funded by user fees; no property tax dollars are used for the Airport’s capital improvements or for its day-to-day operation.
