

Brady Street Art Walk Returns This Saturday with Live Art, Music, and Pride-Inspired Murals

PRESS RELEASE

FOR IMMEDIATE RELEASE

Milwaukee, WI – June 12, 2025 — Brady Street is turning into an open-air gallery this Saturday, June 14th, for the annual Brady Street Art Walk, happening from 12 PM to 4 PM. This beloved event celebrates local creativity with over 20 live artists, street performers, and an afternoon of vibrant culture in the heart of Milwaukee’s East Side.

Stroll the iconic blocks of Brady Street and watch as artists bring their work to life before your eyes. From painters to illustrators and beyond, creativity will be on full display across the neighborhood. Vendors will also be on-site with handmade goods, unique finds, and creative wares perfect for all art lovers.

Adding to the ambiance, local buskers and musicians will fill the street with sound, making this not just a visual experience—but an auditory one too.

This year, the Art Walk also shines a spotlight on Pride Month, with colorful murals created by local artists proudly displayed up and down Brady Street. These works honor identity, expression, and community—turning the entire street into a celebration of inclusivity and love.

“This is one of our favorite events of the year,” said Michael Sander, Executive Director of the Brady Street BID. “It’s a perfect blend of art, community, and joy—and this year’s Pride-themed murals make it even more meaningful.”

Come for the art. Stay for the music. Leave inspired.
