The Ethereal Collective

A Youth-Led Music Experience Connecting Sound and Spirit

[Dateline: Milwaukee, WI, June 11, 2025] —To close out the summer, a spark of creativity is taking over Milwaukee with *The Ethereal Collective*; a youth-led musical showcase designed to empower and highlight young voices. This event will also raise funds for [THE CREATIVE COLLAB | Bronzeville Artist-in-Residency Program](#).

On Wednesday, July 31, 2025, from 6:00 PM to 9:00 PM, local youth ages 11 to 20 are invited to perform or attend this youth music showcase. The event will take place at /CW Creative Studios + Shop, a family-owned creative space rooted in supporting youth expression, creativity, talent, and connection.

“We’re planting seeds for trees we may never be shaded by, and that’s the point. The Ethereal Collective is about building space for youth expression, even if we’re just the root. It’s about creating opportunities for the next generation, even if we’re not the ones who benefit directly,”
- **Vedale Hill, a key mentor of the event and youth arts advocate.**

Whether you sing, rap, play an instrument, produce beats, or do spoken word, *The Ethereal Collective* gives young creatives a platform to shine. Performers will be given their own time to showcase their art, with opportunities for collaboration if artists team up.

Those interested in performing can apply at the link below by July 10th, 2025:
