**Wisconsin Clean Energy Advocates to Hold Press Call on
Reconciliation Bill**

WISCONSIN — Wednesday, July 2nd, at 11:30am CT, Forward Together Wisconsin, BlueGreen Alliance, Clean Wisconsin, and Elevate will host a virtual media conference to discuss the potential impacts of the Reconciliation Bill, the most destructive environmental bill in history. If passed as-is, this legislation will threaten the progress Wisconsin has made building a new clean energy economy with good local jobs and affordable energy and increase dangerous emissions that hurt our communities.

WHO:

Former Lt. Gov. Mandela Barnes, President of Forward Together Wisconsin

Carly Eaton, Wisconsin Policy Manager, BlueGreen Alliance

Amy Barrilleaux, Communications Director, Clean Wisconsin

Heather Allen, Senior Policy Director, Elevate

WHEN: Wednesday, July 2nd, at 11:30am CT

WHERE: Media interested in covering this event can RSVP at
